Dear Parents,

Thank you for inquiring about our fantastic summer program. We have been serving the Jersey Shore for over fifty years and are happy to invite your child to spend a fun filled and exciting summer with us. We strive to provide a safe and healthy environment for everyone that comes through our door. Meeting old friends and making new ones, taking trips to adventurous places, making creative projects, swimming, sports, games and daily specials are among the many activities your child will participate in here at **Shore Summer Camp**.

Our staff is both trained and experienced in providing the best program possible. Our staff is also CPR and First Aid Certified. We are sure you will be pleased with the care and concern our staff has for each and every camper.

We offer our fine 4 ½ acre area which includes a 4,000 sq. foot air conditioned building, Olympic size inground pool, two spacious playgrounds, GaGa pit, six basketball hoops, volleyball court and grassy fields for sports, or just taking a break. Swimming lessons are also offered after camp hours for more individualized lessons.
